Runners requesting a guaranteed race entry on The BMF Team

Deposit and Fundraising Minimum

A runner approved to receive a guaranteed entry for the 2019 United Airlines NYC Half Marathon as a member of The Bone Marrow Foundation Team is required to raise a minimum of \$1,000 for The Foundation. Once the runner has accepted the invitation to join the team, a non-refundable deposit of \$25 will be charged to the runner's credit card. The remaining balance of the fundraising minimum must be submitted to The Bone Marrow Foundation by March 17, 2019.

A credit card (American Express, MasterCard, or Visa) valid through April 2019 must be provided in order to be eligible to join The Bone Marrow Foundation Team. Once the runner has accepted the invitation to join the team, the \$25 non-refundable deposit will be charged to this credit card. The deposit will count towards the runner's fundraising minimum. The credit card will not be charged again unless the required minimum has not been met by the March 17, 2019 deadline, at which time the balance required to meet the \$1,000 minimum will be charged.

Cancellation

A runner approved to receive a guaranteed entry for the 2019 United Airlines NYC Half Marathon as a member of The Bone Marrow Foundation Team may cancel participation for any reason (including injury) by contacting The BMF in writing. Cancellation **does not** remove the runner's obligation to fulfill the \$1,000 fundraising minimum. However, a runner who cancels participation and **has fulfilled or agrees to fulfill** the \$1,000 fundraising minimum will receive a guaranteed entry for the 2020 Half Marathon. (*Runner must notify BMF by March 15th to be eligible*). Any funds raised or fees and deposits paid prior to cancellation or the decision not to run are not refundable.

Marathon Registration and Fees

A runner approved to receive a guaranteed entry for the 2019 United Airlines NYC Half Marathon as a member of The Bone Marrow Foundation Team will receive an invitation with registration details from the Foundation after the runner's application is accepted. The runner will be responsible for additional processing and entry fees charged by New York Road Runners through the United Airlines NYC Half Marathon. These fees do not count toward the runner's fundraising minimum. The entry fee for the 2019 United Airlines NYC Half Marathon through New York Road Runners is \$130 for New York Road Runners members and \$145 for non-members.

Runners who already have a guaranteed race entry and wish to join The BMF Team

Joining Fees and Fundraising Minimum

A runner who has obtained a guaranteed entry for the 2019 United Airlines NYC Half Marathon through the lottery can request to join The Bone Marrow Foundation Team and fundraise in support of the Foundation. There is no fundraising minimum for runners who already have a guaranteed entry, but the runner will be asked to set a realistic personal fundraising goal. A non-refundable \$25 fee is required to join The Bone Marrow Foundation Team. Once the runner has accepted the invitation to join the team, the \$25 fee will be charged to the credit card provided on this application. The joining fee will be counted toward the runner's personal fundraising goal.

Cancellation

A runner who already has a guaranteed entry for the 2019 United Airlines NYC Half Marathon may cancel participation with The Bone Marrow Foundation Team by contacting the Foundation in writing at any time. Funds raised before a runner's cancellation or decision not to run will not be refunded, nor will the runner's \$25 joining fee.
