Form 990, Part III, Line 1 - Organization Mission

The Bone Marrow Foundation, founded in 1992, is dedicated to improving the quality of life for bone marrow, stem cell and cord blood transplant patients and their families by providing vital financial assistance, educational information, and emotional support programs. Transplants treat over 70 life threatening diseases including cancers and genetic disorders. The Foundation is the only organization of its kind that does not limit assistance to a specific disease, type of transplant or age range. All of the foundation's services are offered free to patients and their families.

Form 990, Part III, Line 4a - Program Service Accomplishments

•Lifeline Fund: Patient Financial Assistance Program provides funding to help cover the costs of donor searches, compatibility testing, bone marrow harvesting, medications, home and child care services, medical equipment, transportation, cord blood banking, housing costs and other expenses associated with the transplant. Health insurance often does not cover these vital support services, and many patients cannot afford them on their own. The Bone Marrow Foundation offers this type of direct financial aid to bone marrow and stem cell transplant patients without limiting patient assistance to a specific diagnosis or age range.

The Foundation currently assists patients at transplant centers nationwide. The procedure to apply for a grant from the Lifeline Fund involves having the patient's nurse coordinator or social worker complete the application and send it to The Foundation. Once The Foundation's Patient Services Coordinator has reviewed the application and issued an award amount, arrangements are made to send the funds to the patient or family member. In addition, the program leverages social media to enable patients to reach out to their family, friends and social networks for

additional financial support.

•One-to-One Funds assists patients and their families by creating a personal fund at the Foundation. The patient's community, family and friends can raise money for the patient's transplant expenses and all donations will benefit the patient. The Bone Marrow Foundation administers these funds directly to the patient and all expenses need to have accompanied receipts. Each donor receives an acknowledgement letter and the patient receives a listing of all donations made to their personal fund. The Bone Marrow Foundation takes a 5% fee to administer this Fund. It is simple to set up a One-to-One Funds, by filling out the on-line form at www.bonemarrow.org or contact the foundation for a form. Current One-to-One Funds patients can be viewed at our website. A social worker will contact the patient to discuss the patient's needs and the next steps in the One-to-One Funds process.

•Ask the Expert enables individuals to pose questions concerning bone marrow or stem cell transplantation, and to have them answered by health professionals. The individual asking the question and the advisory board member responding to the question remain anonymous to each other, and all communications occur via the website or through the Foundation. The Foundation's Patient Program Coordinator is responsible for ensuring that only appropriate questions are directed to the expert panel and that all routine questions are answered by The Bone Marrow Foundation staff.
